90-Day No Pay Promotion

Conserve valuable capital, yet get the Sage software your business needs, with the Key Equipment Finance 90-Day No Pay Program. Acquire your software solution today and pay nothing until 2008 when you finance through Key.¹ It's that simple.

Here's what you can expect from the 90-Day No Pay program:

- Let the software start working for you before full payments begin
- Competitive, fixed monthly payments begin after the first 90 days
- Terms of 24, 36, 48, or 60 months
- Improved cash flow management
- 100% financing, including soft costs such as installation, conversion, training, and freight²
- Two advanced payments
- Potential tax benefits³
- Offer available through September 30, 2007

Key Equipment Finance

Contact Stephen Interlicchio, at 800-523-3398 or stephen.interlicchio@key.com, to take advantage of this offer.

¹Offer is available for leases with \$1.00 end-of-lease option and orders with a total cost of \$2,500 or greater (including soft costs such as shipping, supplies, services, warranties, etc.). After the initial 90 days, the lessee will make "regular" payments which together will fully amortize the amount borrowed less interest. Terms & conditions apply. Promotion begins September 1, 2007 and transactions must fund by October 31, 2007. Financing is available through Key Equipment Finance to qualified business customers in the U.S. Financing is subject to credit approval and execution of standard documentation. Key Equipment Finance reserves the right to change or cancel this program without notice. ²Soft costs up to 20% of the total amount financed may be included. ³Please consult your tax advisor for details.
